

Tenant Authorization Form

Dear Unit Owners/Tenants,

We have great news! We will soon be starting the installation of your new Atlantic Broadband services. If you will not be available to attend the designated installation signup event for your building, and/or you will not be available on the day of your installation, you may authorize an individual to represent you.

Please complete this form and issue it to your authorized representative and have them bring it with them on the day of your designated signup event, or email it to selectcommunities@atlanticbb.com.
